MURRAY'S BOSTON STORE Willimantic, Conn.

THESE ARE BARGAIN DAYS IN THE READY-TO-WEAR SECTION

At this time of the season when prices are cut for quick clearance regardless of cost, it's a good time to pick out good garments for very little money.

Our Ready-to-Wear Department offers exceptional values in Suits, Coats and Dresses, in broken sizes and odd lots that are being cleared out to make room for incoming Spring garments.

THESE FUR-TRIMMED COATS AT \$35.00 AND \$39.00 ARE REAL GOOD VALUES

The extent of the reduction on these Stylish Caots bring the new low price down to a figure that warrants the assection that the fur trimmings cost as much as the price asked for the entire garment. There are only a limited number to select from which alone accounts for this low price on such coats.

Bolivia and Pollyanna, trimmed with Beaver, Nutria and Skunk. The above prices represent just half their value. A well stocked Hosiery chest demands a separate pair for your shoes or costume that will harmonize.

WE HAVE OTHER GOOD VALUES IN COATS AT \$9.50 UP TO \$29.00 ·

> SUITS AS LOW AS \$9.50 TO \$25.00 JUST A FEW LEFT.
